mood blau-cognac

mood blau - cognac

The image displays a comprehensive architectural presentation for a project titled "mood blau - cognac". It features a central floor plan of a multi-story office building, with various rooms color-coded and labeled: 01 welcome (yellow), 02 Lounge (grey), 03 Servicepoint (teal), 04 Workspace (light green), 05 innovation lab (light blue), 06 Meeting 100m² (grey), 07 Essen (yellow), 08 Kitchen (yellow), and 09 (grey). The plan includes detailed room layouts, furniture placement, and structural elements like stairs and elevators. Surrounding the plan are numerous photographs and material samples that define the project's aesthetic. These include: a meeting room with orange chairs and a long table; lounge areas with blue and white furniture; a kitchen with a blue island; and various wall and ceiling treatments, such as blue vertical slats and textured grey panels. The overall design language is modern and functional, with a focus on open-plan spaces and high-quality materials. The mood board also includes a dark blue wall with a starry pattern and a blue textured wall.
